Students must be aware of the "Lodging Regulations" that can be consulted on our website.

Communications

All requests and communications regarding absences or change in the schedule or program, must be made directly to the school's office, not through the teachers, sending an e-mail to info@arteleonardo.com. Otherwise, lessons cannot be recovered or changes to the program and schedules applied.

Visa

European citizens do not require a visa to enter Italy and are allowed to stay how long they want. Citizens of other countries, like United States or Mexico and many others, are requested to apply for a student visa only if they are going to stay in Italy for longer than 90 days. Citizens of other countries instead must apply for a visa for any period of time they intend to stay in Italy (even for a stay shorter than 90 days).

The deadline for applications from students that need a visa is 3 months prior to the selected starting date of the course.

The student is the sole responsible for the whole visa application procedure, the only service that the School can provide is that of issuing a Certificate of Enrolment necessary to obtain the visa, after the application and the full payment of the course fees have been received.

Therefore, students must contact personally their nearest Italian Embassy or Consulate in order to check the regulations regarding entry permits to Italy.

In case the Italian Consulate should not grant the visa, an original document that proves that the visa has been refused will be needed by the school to make a refund.

The courses for which the study visa has been granted cannot be cancelled or modified or replaced with other courses.
