

GUIDED TOURS

Florence, the city of Art par excellence, is rich in museums, churches and monuments of great historical and artistic value that require the guidance of an expert to be fully appreciated.

The School organizes guided tours lasting approximately 3 hours, for individuals or groups, in Italian, English, Spanish and Chinese.

They will be held in the morning or in the afternoon, compatibly with the opening hours of museums and monuments.

Guided tours must be booked at least 2 weeks in advance and paid upon enrolment.
